CHAPTER ONE – CONSTITUTION

Name and Headquarters
ART. 1: The Association shall be known as the “European Association for Earthquake Engineering” with its Central Office at Boğaziçi University, Kandilli Observatory and Earthquake Research Institute.

Terminology
ART. 2: In these Statutes the terminology given below is adopted.

Association: European Association for Earthquake Engineering,
Statutes: Statutes of the European Association for Earthquake Engineering

Objectives
ART. 3: The objectives of the Association shall be; (1) to promote regional cooperation among scientists and engineers, and to advance the research front in the field of earthquake engineering; (2) to contribute, support and play an active role in organising all research and educational activities in Europe in the field of earthquake engineering; (3) to play an active role in all aspects of mitigation of the effects of earthquakes in Europe and to set a model for other national, regional and international organisations to follow in advancing earthquake risk mitigation.

Activities
ART. 4: The Association was established as a non-profit organisation within its Objectives and Activities to be active in Turkey and abroad and may accomplish its objectives by:

4.1. Organising regular conferences, regional seminars, workshops, symposiums, panel discussions, fairs and exhibitions on earthquake engineering topics,
4.2. Exchanging information, data and expertise for establishing data banks,
4.3. Preparing joint projects for extending the technical cooperation among its Members on earthquake engineering related topics,
4.4. Providing the publication of research reports, brochures, catalogues, bulletins, technical journals, newspapers, and books in earthquake engineering,
4.5. Conducting investigations and research within its objectives and activities by establishing Task Groups within the Association or through experts and consultants,
4.6. Organising production and distribution of all kinds of gift items, informational and educational materials,
4.7. Receiving or giving donations and aids in accordance with the Law for Receiving Donations and Statutes,
Association Emblem

ART. 5: The emblem of the Association is composed of the acronym (EAEE) of the association as shown below.

The emblem of the Association shall not be used improperly or distributed or sold to others than the members of the Association without the consent of the Executive Committee.

CHAPTER TWO – MEMBERSHIP

Membership Requirements

ART. 6: Membership requirements for the Association are listed below:

6.1. Any Individual, foundation, company, associations, society, educational and training institution, government enterprise, governmental and professional organisation that is active in the field of earthquake engineering may become a member of the Association,
